### JAGUAR 76 CHARTER

Jaguar 76 in Sardinia and Corsica , The Italian Jaguar Sport is a super sport yacht, that conjugates a sporting soul and comfort in a masterly measured blend. 4 cabins for up to 8 guests and a professional crew of 3, will ensure that your vacation is an Amazing experience. Yacht features new forward living spaces with sun lounge,

redesigned sidewalks that facilitate onboard circulation, a cockpit that has central seating transforming into a sun lounge, and a large helm station aft protected at the sides by sloping bulwarks. Large superstructure windows enable exceptional luminosity of the upper deck salon, that is ideally partitioned into distinct midship convivial space and forward helm station. Interior design style is marked by a contemporary, sophisticated minimalism, consistent with exterior lines. A new style and layout were also central to the focus for redesigning interior spaces based on two guest staterooms plus two crew accommodation, forward VIP stateroom and central full-width master stateroom. Each room has private facilities. Separate crew quarters protect the privacy of guests.
