## DESCRIPTION

Manhattan 66 is an excellent example of the Sunseeker 75 yacht range that represents the embodiment of sophistication as well as style that the builder is so famous for. This striking 23 mt. was launched in 2014 and is in immaculate condition. Over three spacious decks, both modern and classic design blend harmoniously to exceed even the highest expectations. On the main deck signature 'Z'-shaped windows allow plenty of natural light to illuminate both the dining and separate seating areas. The large flybridge was created with entertaining in mind – complete with wetbar, sunpads and dining area, it is the perfect space for relaxing in a secluded bay or enjoying the thrill of cruising along the coastline at speeds of up to 34 knots. Accommodation aboard Manhattan 66 yacht is offered to up to 8 guests in 4 magnificent cabins. These include three double

suites and one twin bed guest cabin. Each cabin features its own ensuite. Charter yacht Manhattan 66 has the following amenities: a tender, snorkel sets, paddle boards, 2 person towable tube and sea noodles.
