DESCRIPTION

SAN LORENZO 52

San Lorenzo 52 , only due for delivery to her Owner in April 2020, this stunning Sanlorenzo 52 will be available to charter almost immediately after her launch – making her one of the absolute newest and most desirable charter yachts available. She will be located in Europe, offering superb charter experiences in both the East and West Mediterranean. Offering versatile charter accommodation, Lady Lena can welcome up to 12 guests over six cabins, comprising of the full beam master suite, three VIP and two multi-purpose doubles with sofa-beds and pullmans. Excellent service is guaranteed, with nine experienced crew members on board to look after guest's every need, and on-board luxuries such as a Spa are guaranteed to leave everyone relaxed and refreshed at the end of their stay.

Exterior design

Lady Lena's contemporary exterior was penned by Officina Italiana Design. Clean lines, plenty of glazing and glass bulwarks contributing to her modern elegant look. She is part Sanlorenzo's award-winning 52Steel series.

Opulent and elegant interiors

Lady Lena demonstrates the fine finishes and attention to detail you would expect from a yacht of this high pedigree. Timeless interiors with rich wood paneling, cream colored soft furnishings and fine art work together to create an opulent inside space. Large windows make the most of the surrounding views and fill the interiors with light.

An impressive 80m2 Beach club, unique for a yacht in her size

The huge 80m2 beach club makes the most of its position on the water, with a float-in tender dock and fold out balconies, which give direct swimming access to the warm Mediterranean waters, and to the vessel's huge range of water toys.

Full Spa with Sauna, Hammam and Massage room

Enjoy the wellness experience in the on-board full Spa with Sauna, Hammam and Massage room. This area is guaranteed to leave everyone relaxed and refreshed at the end of their stay.

Endless Swimming Pool

Art and function combine in the form of the main deck's glass bottomed 4.5 x 2.3 mt Endless pool, which is another example of Lady Lena's commitment to alfresco living. It benefits from a counter-current system and jacuzzi functions, and the glazed portions in the bottom of the pool ensure the space is connected to the beach club below. What's more, the pool is flanked by sunpads, allowing everyone in the charter party to enjoy the space together.

Vast and Spacious Sundeck

Her 90m2 sundeck has been thoughtfully considered to ensure the entire charter party can make the most out of the space. Guests can stretch out on sunbeds, indulge in cocktails at the bar or slide into the 8-seater jacuzzi pool and cool off while admiring the views. Adding to the appeal of this space is a shaded alfresco dining arrangement, which ensures guests can get together and share meals in this relaxed and convivial setting.
