### Sunseeker 115 Sports

Launched in 2014 and only recently coming to the charter market, 'No 9' is a stunning example of a Sunseeker 115 Sports Yacht. Accommodating up to ten guests in five beautifully appointed cabins, 'No 9' offers the archetypal yachting experience with a luxurious interior and a range of stunning outdoor deck space.

Inside the comfortable saloon has settees and armchairs upholstered in cream leather and spectacular sea balconies to both port and starboard which are accessed via sliding doors.

A sophisticated entertainment centre includes a home cinema, Samsung 55 inch television screen and a Bose Lifestyle stereo surround sound system. Forward is a formal dining area with upholstered chairs and sociable seating area.

The interior is finished in classic yet contemporary black American Walnut and accessorised with one off pieces and soft furnishings.

Relax with a book on the spacious flybridge, or dive into azure waters and get your adrenaline fix with an array of exciting water toys. Your transfers ashore will be smooth and in absolute luxury aboard 'No 9's' Williams 565 Jet Tender. The Captain of 'No 9' is one of the best in the business, with a superb chef and three other enthusiastic and experienced crew to make sure you enjoy the trip of a lifetime whilst onboard.
