## DESCRIPTION

Whether cruising locally around Cannes Islands or enjoying top speeds of 26 knots cruising from the mainland to the stunning islands of Corsica and Sardinia, Fleur guarantees absolute comfort in typical Sunseeker style. Launched in the Summer of 2016 Fleur is the very first Sunseeker 116 Yacht to enter the charter market. With the feel of a much larger yacht, Fleur's arrangement combines a clever use of space with classic Sunseeker design to accommodate up to 10 guests in five elegant cabins (3 doubles and 2 twins) Fleur's interior is complimented by an imaginative deck layout and vast outside living areas, the step down fore deck creates a private area to relax in the sun, with an intimate area to take lunch, sun pads and one of two Jacuzzis which offer 180 degree panoramic views. The expansive flybridge lends itself to entertaining with a retractable sunshade, a large seating and dining area and another Jacuzzi, which combine to ensure that the flybridge will

be at the hear of the action during your time on board. Inside is a more intimate affair but on a grand scale, with an expansive full beam living and dining area leading forward to the master stateroom, all beautifully lit by full height windows that allow huge amounts of natural light to flood in. Down below the master is complimented by two doubles and two twins – all with beautifully appointed en-suite bathrooms.
