DESCRIPTION

The Sunseeker Predator 72 is a strong and comfortable yacht with a beautiful and winning line. Fast and noiseless, she permits to sail safe and pleasantly in every condition. The spacious saloon with his big hardtop and the wide exterior spaces assure an agreeable navigation to 12 guests. Our Aspire of London offers her comfortable 4 cabins to 8 guests for an unforgettable cruise. In 2014, 2015 and 2016 important refits have made the yacht perfect for the charter activity. The most important: the remaking of the galley with a divisional bulkhead and an expansion of the equipment; the stern of the boat has been fully modified through the extension of the sun pad and the creation of a better leaving space with a different displacement of the table in front of the central sofa. Her equipment is complete and at top level, from the satellite dish, to the submersible beach platform, to the jet tender.
