DESCRIPTION

If you wish to enjoy life on water with your family or friends, here is a beautiful Sunseeker Portofino 53, easy to look at and just as easy to handle. Hideaway is an excellent compromise between a day boat and a longer cruise experience. She has everything you need; a large open cockpit area which makes you really enjoy it while onboard, and a performance that makes longer journeys a pleasure. Charming feature is an opening hard top that gives you shade and allows fresh air in hot summer days. She has wide and light saloon area with dinning table and comfortable three cabins for guests, a garage to house a tender and a SUP paddle board . This yacht is much more than just a pretty face since she meets all Sunseeker's high standards of performance and quality.
