DESCRIPTION

WALLY 50 CHARTER

Founded by Luca Bassani, Wally changed the entire concept of cruising yachts. Since its inception in 1994, the Monegasque brand has launched yachts which still are unmatched. In 2019 Wally became part of Ferretti Group. Every Wally is the result of taking a functional approach to product development. This combination of form and function means that every technical solution is developed with consideration for the overall aesthetic beauty. Every detail is carefully analysed and designed to contribute to the overall Wally appeal, regarded as the state of the art in yachting. Wally is the only yachting brand two time winner of the Compasso d'oro (in 2004 and in 2008), the world's most important award for quality and design.
